Parent Consent

I authorize my child to enroll in a college level course in the Los Angeles Community College District (LACCD). I understand that my child will not be afforded any special status or supervision as a result of their minor status while enrolled in the LACCD; I also understand that I will not have access to my child's student records (including grades and transcripts) without their written consent, their minor status notwithstanding. Furthermore, I understand that my child will be eligible to continue to enroll based on this authorization until I submit a written statement revoking my child's ability to enroll.
